

Ovation F 3.25" Barndoor

A four-leaf barn door designed to precisely control light spill and shape the beam of a light fixture.

Intended for use with any lighting fixture equipped with a 3.25-inch (82.5 mm) accessory holder.

- Features four independently adjustable leaves for versatile and asymmetrical beam shaping.
- Shields unwanted light spill from scenery and architectural elements.
- Designed for quick installation in 3.25-inch (82.5 mm) accessory holders.
- Creates sharp, defined beam edges for precise and focused subject illumination.
- Provides a fundamental tool for managing light in theatrical and studio settings.
- Offers a simple, reliable method for manually shaping a fixture's light output.
