

Ovation F 6.25" Barndoor V2

An all-metal, eight-leaf barn door accessory designed to precisely control the light output from any fixture equipped with a 6.25-inch accessory slot. Ideal for theatrical, broadcast, or event lighting applications where shaping the light beam and eliminating unwanted spill is essential.

- Offers robust, all-metal construction for demanding production environments.
- Allows for nuanced beam shaping with eight independently adjustable leaves.
- Prevents light bleed for precise illumination of subjects and scenery.
- Mounts easily to fixtures with a standard 6.25-inch accessory slot.
- Provides the sharp beam control required for key and accent lighting.
- Enables rapid, tool-free adjustments in fast-paced production settings.
